Since 1997, **cyberFEDS®** ([www.cyberfeds.com](http://www.cyberfeds.com)) has helped federal civil service law professionals and practitioners stay on top of — and make sense of — all the ongoing changes in federal government. Daily news coverage written by experienced federal human resources journalists on Capitol Hill combined with the unique blend of case law, reference materials and practical guidance from our attorney editors and noted federal employment law authorities make **cyberFEDS®** the leading online resource for more than 50,000 federal HR-related professionals annually.

Subscribers are agency executives, program managers and directors, general counsel, area specialists and other professionals who plan, acquire, develop and deploy agency programs and systems in support of federal HR initiatives.

**cyberFEDS®** content covers federal EEO, Employee Relations, HR Technology, Labor Relations, Pay & Benefits, Workers' Compensation and Workforce Management.
